● National Facilities and Key Stakeholders

● Existing and Future Developments

Where the world's brightest minds cluster together

Harwell is the UK's leading science and innovation campus, and is embarking upon an ambitious programme of sustainable development. By 2027, we will have delivered in excess of 1.5m sq ft of cutting-edge labs, offices and advanced manufacturing space alongside a new hotel, conference centre, homes and amenities.

700

acres in Oxfordshire, part of the world-famous Oxford-Cambridge Arc

7k

scientists, engineers and innovators forming a thriving community

60+

nationalities represented, creating a truly global location

30+

of the UK's finest universities are here: a real hub for institutions of learning

16

unique 'big science' national facilities representing a UK Government investment of £3billion

200+

acclaimed Research and Development organisations – from start-ups to tech unicorns

The HQ Building is a comprehensively refurbished building centred around the campus' cultural quarter offering the highest quality office plus a range of onsite amenities.

The Grade A office suites are available now. This is an opportunity for both start-ups and established businesses to become part of a cutting-edge collaborative community driving the global future of science and technology.

The building has been architecturally remodelled to provide an exceptional working environment and is set in a fully mature landscape. Amenities include an adjacent 6,000 square foot gym, an independent café, communal breakout spaces, and the newly established street food park DiSH.

The campus has been designed as a place where professionals from around the world will choose to come and work, with amenities including nurseries, sports facilities, cafés, post office, mini supermarket, weekly pop-up food stalls and attractive public spaces. This is set to be further enhanced with proposals to construct an apart-hotel, along with a residential development to complement the work life balance on campus.

Specifications

- Open plan and furnished suites available
- Air conditioning and natural ventilation
- Gas central heating
- Comprehensively refurbished
- Ducting for data / voice / power
- Broadband: substantial bandwidth to campus
- Modern access control system
- PIR lighting
- Communal break-out areas.
- Adjacent to gym, cafe and DiSH
- Excellent natural light
- EPC: C62

- A** HQ Building
- B** Zephyr Building
- C** Zeus
- D** Quad One and Quad Two
- E** Genesis Building
- F** RAL Space
- G** European Space Agency (ESA)
- H** Diamond Light Source
- I** Medical Research Council
- J** UK Health Security Agency
- K** MinION Building

Carbon & GHG Emissions

Transition our built environment portfolio towards Net Zero Carbon, halving emissions in our control by 2030.

Materials & Supply Chain

Shift the development & operation of our portfolio towards a Circular Economy through Sustainable Procurement & Responsible Sourcing.

Climate Resilience & Adaptation

Make our buildings & infrastructure resilient to the predicted changes in the climate.

Nature & Environment

Protect the local environment and manage our estate sustainably, enhancing its ecological diversity whilst creating a network of nature corridors.

Health & Wellbeing

Provide an environment that safeguards and enhances the safety, health & wellbeing of staff and visitors.

Connectivity & Transport

Encourage active travel choices and provide low emission transport options to commuters.

Community & Local Economy

Make a lasting positive contribution to the community & local economy by delivering environmental, economic, and social value.

Sustainability Targets

Targets: BREEAM Excellent and EPC A

Our impact in numbers

11,400 sq m
BREEAM certified

22,750 sq m

Electricity backed by Renewable Energy Guarantees of Origin (REGOs) to power our managed buildings

Zero
Waste sent to landfill from our managed buildings

25%
Discount on buses to/from Harwell Campus

Harwell is located in beautiful countryside just south of Oxford, one of the fastest growing cities in the UK.

Oxford city centre is just over 20 minutes, drive away, Heathrow is 55 minutes by road, and nearby Didcot Parkway station connects you to London Paddington in just 42 minutes.

The launch of Crossrail and the upgrade to the Didcot Parkway Line mean it will soon be possible to reach central London Underground stations in under one hour.

Road distances

Didcot Parkway	London
5m/15mins	60m/1hr 26mins
Oxford	Bristol
15m/23 mins	70m/1hr 13mins
Heathrow	Birmingham
50m/55mins	90m/1hr 31mins

Train distances via Didcot

Reading	Bristol
13mins	1hr 2mins
London Paddington	Birmingham
42mins	1hr 29mins

Fast shuttlebus service through the day to Didcot Parkway (20 mins) and Oxford available now.
